

## Planet Beat

Planet Beat, Planet Beat  
Hear the rhythm, feel the beat  
Planet Beat, Planet Beat  
Feel the earth spin under our feet

Maybe sing, maybe dance  
Maybe hit on pots and pans  
Planet Beat will take us there  
Planet Beat will make us care

Snap you fingers, clap you hands  
Hear the sounds of foreign lands  
The planet spins, the planet turns  
Planet Beat will help us learn

Meet and greet, Planet Beat  
Get out of you seat, Planet Beat  
Move your feet, Planet Beat  
Sounds so sweet, Planet Beat  
Sounds so sweet, Planet Beat  
Sounds so sweet, Planet Beat
